# Highlights

### Ergonomic headband
The simple, ergonomic headband is fully adjustable to fit any kid's head comfortably and grow alonside them.

### Maximum volume limited
Kid's Headphones let you rest assured that its volume levels are safe for your child. The volume is tuned to a maximum limit of 85dB for safe enjoyment.

### Neodymium speaker drivers
Neodymium is the best material for producing a strong magnetic field for greater sensitivity in a voice coil, better bass response and a pure balanced sound quality.

### Noise isolating ear cushions
Noise isolating ear cushions significantly reduce the environmental noise, so kids don't need volume to be immersed in music.

### Screw-free design
Screw-free and durable design allows headphones parts to pop off and pop back into place easily.

### Soft ear cushions
The ear shells are completely cushioned with soft foam for ultimate comfort and secure.

### Ultra lightweight headband
The slim headband is so ultra light and comfortable that it's a joy to wear for hours on end. Kids may easily forget that they even have it on.
